

A group of children are walking away from the camera on a dirt path through a lush green forest. They are wearing bright pink high-visibility vests with reflective yellow stripes. Some children are wearing hats, including a black bucket hat and a light blue bucket hat. The background is filled with vibrant green trees and foliage. A large, stylized yellow flower graphic is positioned to the right of the children.

Yogurt Pots Holiday Club

Fun, Friends and Adventures Every Day!

About inspiring communities Together

Inspiring Communities Together (ICT) is a place-based charity that supports people of all ages, including children, young people and families. We work within our local community to provide safe, welcoming and inclusive opportunities that bring people together. Our aim is to help individuals build confidence, develop new skills and feel supported in their everyday lives. We are committed to creating environments where everyone feels valued, included and able to take part in ways that suit their needs.

About Our Holiday Club

Our Holiday Club is part of this wider work and offers a fun, safe and engaging environment for primary school children aged 5–11 years of age. Each day is carefully structured to include a balance of active play, creative activities, themed learning and relaxation time. This approach helps children feel settled, stay engaged and enjoy a wide range of experiences, while building confidence, making new friends and having fun.

What to Expect:

- Fun and inclusive activities
- Outdoor play daily (weather permitting)
- Healthy meals and snacks

What We Expect from the Children

We want all children to have a fun and positive experience. To help this, we encourage children to:

- Be kind and respectful to others
- Listen to staff instructions
- Try activities and give things a go
- Take turns and share
- Use equipment safely
- Tell a staff member if they feel worried or need help

What Children Should Bring:

- Comfortable clothing
 - Weather-appropriate items (coat/hat/suncream)
 - Water bottle
 - Packed lunch (Fridays only)
- 

Funded and Paid Places

We offer low cost family holiday club places starting at only £20 per session rising to £29 for a full day

If your child is in receipt of free school meals and has a HAF code provided by the local authority we have a limited number of free places available.

Flexible Pricing & Wraparound Care Options

To ensure our provision remains completely inclusive, we offer flexible paid places for families who do not hold a Holiday Activities and Food (HAF) code, as well as for those with a HAF code wishing to extend their child's day so no one misses out on the activities.

- **Core Session Hours HAF Funded (10:30am – 2:30pm): £20.00**
- **Early Drop-Off (9:00am – 10:30am): £3.00 extra**
- **Extended Afternoon (2:30pm – 5:00pm): £6.00 extra**

Food provision:

- Snacks and lunch are provided for all children Monday to Thursday
- On Fridays, children will be provided ingredients to make their own lunch
- We promote healthy eating and kindly ask that packed lunches include healthy options

If you are unsure about your eligibility, or would like to book a paid place or extended hours, please contact us for more information.

Daily Schedule (9:00am – 5:00pm)

Our daily timetable gives children a balanced day, with a mix of active, creative and relaxing activities to keep them engaged and supported throughout.

Daily Themes

Each day, we explore a different theme to keep the programme fun, engaging and varied. Our themes help children to stay interested, try new things and build confidence through play, creativity and teamwork.

Here's a snapshot of what children can look forward to:

Adventure & Exploration

Children will go on an exciting journey of discovery, taking part in imaginative activities and challenges. From exploring the jungle and hunting for pirate treasure, to travelling into space and enjoying outdoor adventures, this day is full of fun and exploration.

- Jungle Adventure
- Space Explorers
- Safari Day (includes Green & Grow activities)
- Camping Day

Creative Arts

A day that focuses on creativity and self-expression. Children will explore different ways to express themselves through art, music, movement and performance, building confidence while having fun.

- Painting
- Music & Dance
- Drama
- Craft Creations (includes Green & Grow activities)
- Talent Show

Science & Discovery

Children will become young investigators, exploring how things work through fun experiments and hands-on activities. This day encourages curiosity, problem-solving and learning through play.

- Crazy Science
- Building
- Water Fun
- Nature Day (includes Green & Grow activities)
- STEM Challenge

Sports & Wellbeing

A day focused on staying active, working as a team and supporting wellbeing. Children will take part in fun physical activities, build teamwork skills and explore simple ways to look after their health and wellbeing.

- Sports Day
- Wellness
- Team Building
- Party Day (includes Green & Grow activities)

Environmental

A day all about nature, caring for the environment and learning how to help our world thrive. Children will take part in hands-on activities, explore the outdoors and discover simple ways to protect and nurture the environment.

- Litter Picks
 - Green & Grow Nature Activities
 - Planting & Gardening
-
